Management Office location:
2320 East Hills Drive , Pittsburgh, PA 15221

Dear Residents,

It is with great sadness we extend our deepest concern to all those in our community affected by the recent tragedy of the loss of a child within our neighborhood. This senseless criminal act has caused much grief, stress and pain. We are reaching out and asking that all residents report suspicious activity, groups of people gathering and parties that contribute to unnecessary traffic, to the security office and management. Our housing patrol can be reached at, 412-537-8713.

Please know that management has taken a hard stance against crime and has put into place several measures that will assist in deterring negative actions in our community. Together, we can make a difference.

Sincerely,
The Management Team
East Hills Communities

CITIPARKS SPRAY PARKS WILL OPEN ON MAY 23
(Weather permitting).

Get Ready East Hills

All Citiparks Spray Parks open daily 9 a.m. – 8 p.m. Cool off during hot days (late spring - early fall) at Pittsburgh’s coolest aquatic facilities—“spray parks!”

You don’t need swimming skills to enjoy the spray parks. From the tiniest toddler to a pre-teen adventurer, and even those using wheelchairs, children of all ages and abilities enter with equal enthusiasm.

Let your imagination run wild, as movement sensors cause sprayers to magically turn on and off in this three-dimensional world of water. It’s guaranteed to bring back memories of running through sprinklers…but this time with a lot more fun, color and movement.
